NOTICE OF ADMISSION TO EXAMINATION

Your application to take the examination for registration to practice before the Patent and Trademark Office has been approved. The date of examination and the location (city and state) where you are taking the examination are given above. Approximately three weeks before the examination is held, you should receive an admission notice from the Office of Personnel Management (OPM) containing further instructions on taking the registration examination. The notice will inform you of the time and address where you are to report to take the examination. If you do not receive the notice by April 1, 2000, please contact OPM's "PTO Exam Specialist" at (312) 353-6234.

PLEASE RETAIN THIS NOTICE. Bring both this notice and the admission notice from OPM with you to the test. This notice will serve as proof you should be admitted to the examination should you lose your written test admission notice from OPM or should you not receive the written test admission notice prior to the examination date.

You should plan to arrive at the examination test site approximately 15 to 30 minutes earlier than the indicated start time indicated on your notice from OPM. This will provide enough time to sign-in and be seated. **LATE COMERS WILL NOT BE ADMITTED TO THE EXAMINATION.** Accordingly, plan ahead and provide yourself with sufficient time to travel to the examination site, locate a parking lot, park your car, and get to the examination room before the door closes. The time allowed for lunch is short, so you may wish to bring your own lunch.

The examination is an OPEN book examination. You may use any books, notes or written materials that you believe will be of help to you, except for prior registration examinations and/or answers, which cannot be brought into or used in the examination room. You must bring several No. 2 or softer lead pencils. The examination will be administered in two sessions. All applicants must complete the entire examination.
