UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE USPTO DIRECTOR

In the Matter of

Glenn L. Webb, Respondent

Proceeding No. D2010-29

Final Order

The Office of Enrollment and Discipline Director, Harry I. Moatz ("OED Director"), and Glenn L. Webb ("Respondent") have submitted a Proposed Settlement Agreement to the Under Secretary of Commerce for Intellectual Property and Director of the United States Patent and Trademark Office ("USPTO Director") or his designee for approval.

The OED Director and Respondent’s Proposed Settlement Agreement sets forth certain stipulated facts, legal conclusions, and sanctions to which the OED Director and Respondent have agreed in order to voluntarily resolve a disciplinary complaint against Respondent. The Proposed Settlement Agreement, which satisfies the requirements of 37 C.F.R. § 11.26, resolves all disciplinary action by the United States Patent and Trademark Office ("USPTO" or "Office") arising from the stipulated facts set forth below.

Pursuant to such Proposed Settlement Agreement, this Final Order sets forth the parties’ stipulated facts, legal conclusions, and agreed upon discipline.

Jurisdiction

1. At all times relevant hereto, Respondent of Durango, Colorado, has been a patent attorney registered to practice before the United States Patent and Trademark Office ("USPTO" or "Office") and is subject to the USPTO Disciplinary Rules set forth at 37 C.F.R. § 10.20 et seq.

2. The USPTO Director has jurisdiction over this matter and the authority to approve the proposed settlement agreement pursuant to the provisions of 35 U.S.C. § 2(b)(2)(D) and 37 C.F.R. §§ 11.20 and 11.26.

Stipulated Facts

3. Respondent of Durango, Colorado, has been a patent attorney registered to practice patent law before the Office since September 29, 1987 (Registration Number 32,668), and is subject to the USPTO Disciplinary Rules set forth at 37 C.F.R. § 10.20 et seq.
4. At all relevant times, Respondent maintained a business/operating account for his patent law practice, but he did not have a separate account for depositing unearned funds he received from clients.

5. From November 2005 through August 2009 Respondent signed and submitted to the Office five (5) checks drawn on his business/operating account that were returned to the USPTO for insufficient funds and submitted three (3) electronic fund transfers that were returned for insufficient funds. The returned checks and electronic fund transfers totaled eleven thousand and forty-three dollars ($11,043.00).

6. After receiving notice from the USPTO that the checks he had presented had been drawn on a bank account having insufficient funds, Respondent paid the patent application fees for which the checks were originally presented as well as fees arising from the untimely payment of those fees.

Legal Conclusions

7. Based on the information contained in paragraphs 3 through 6, above, Respondent acknowledges that his conduct violated 37 C.F.R. §§ 10.23(b)(4) and 10.23(b)(6) by submitting checks that were returned for insufficient funds.

Sanctions

8. Respondent agreed and it is ORDERED that:

a. Respondent: (i) is suspended for a period of 24 months from the practice of patent, trademark, and non-patent law before the USPTO commencing on the date the Final Order is signed; and (ii) the suspension is immediately stayed as of the date the Final Order is signed and that the stay shall remain in effect until further order of the USPTO Director or his designee;

b. Respondent serve a 24-month probationary period commencing on the date the Final Order is signed;

c. at Respondent’s own expense, Respondent hire a certified public accountant to review Respondent’s legal practice and to prepare and submit a report to the OED Director at six months, 12 months, 18 months, and 24 months after the date this Final Order is signed. The report shall indicate whether Respondent is: (a) maintaining funds he receives from his clients for patent law services to be rendered in a client trust account and not in a business/operating account or personal account; and (b) not issuing checks from the client trust account or business/operating account that are subsequently returned to the Office because they were drawn on insufficient funds. The report shall specifically identify each transaction where Respondent has failed to maintain in a client trust account funds...
from his clients for patent law services to be rendered or has issued a check from the client trust account or business/operating account that was subsequently returned to the Office because it was drawn on insufficient funds. Nothing herein shall extend the deadlines for Respondent to cause the reports to be timely submitted, except that the deadlines may be extended by written agreement of the Respondent and the OED Director.

d. Respondent is permitted to practice patent, trademark, and non-patent law before the USPTO during his probationary period unless the stay of the suspension is lifted by order of the USPTO Director or his designee;

e. if the stay of the suspension is not lifted by order of the USPTO or his designee by the end of the probationary period, Respondent is not required to serve the suspension;

f. (1) in the event that the OED Director is of the opinion that Respondent, during the probationary period, failed to comply with any provision of the Final Order or any Disciplinary Rule of the USPTO Code of Professional Responsibility, the OED Director shall:

   (A) issue to Respondent an Order to Show Cause why the USPTO Director or his designee should not order that the stay of the suspension be lifted and Respondent be immediately suspended for up to 24 months for the violations set forth in paragraph 7, above;

   (B) send the Order to Show Cause to Respondent at the last address of record Respondent furnished to the OED Director pursuant to 37 C.F.R. § 11.11(a); and

   (C) grant Respondent 15 days to respond to the Order to Show Cause;

(2) in the event that after the 15-day period for response and consideration of the response, if any, received from Respondent, the OED Director continues to be of the opinion that Respondent, during the probationary period, failed to comply with any provision of the Final Order or any Disciplinary Rule of the USPTO Code of Professional Responsibility, the OED Director shall:

   (A) deliver to the USPTO Director or his designee: (i) the Order to Show Cause; (ii) Respondent’s response to the Order to Show Cause, if any; and (iii) evidence causing the OED Director to be of the opinion that Respondent failed to comply with any provision of the Final Order or any Disciplinary Rule of the USPTO Code of Professional Responsibility during the probationary period; and

   (B) request that the USPTO Director or his designee immediately lift
the stay of the suspension and suspend Respondent for up to 24 months for the violations set forth in paragraph 7, above;

g. Directs the OED Director to publish the Final Order at the Office of Enrollment and Discipline’s Reading Room electronically located at: http://des.uspto.gov/Foia/OEDReadingRoom.jsp;

h. Directs the OED Director to publish the following Notice in the Official Gazette:

o. the record of this disciplinary proceeding, including the Final Order, be considered: (1) when addressing any further complaint or evidence of the same or similar misconduct brought to the attention of the Office: and/or (2) in any future disciplinary proceeding (a) as an aggravating factor to be taken into consideration in determining any discipline to be imposed and/or (b) to rebut any statement or representation by or on Respondent’s behalf; and
