1. At all times relevant hereto, Respondent of Richmond, Texas, has been a patent attorney registered to practice before the Office in patent matters and is subject to the USPTO Rules of Professional Conduct, which are set forth at 37 C.F.R. §§ 11.101 through 11.901.

2. The USPTO Director has jurisdiction over this matter pursuant to 35 U.S.C. §§ 2(b)(2)(D) and 32 and 37 C.F.R. §§ 11.19, 11.20, and 11.26.

Joint Stipulated Facts
3. Respondent of Richmond, Texas, was registered by the USPTO as a patent attorney on January 18, 2012.

4. Respondent’s registration number is 69,177.

5. Respondent is admitted to practice law in Texas.

6. During an approximate two-year period from 2015-2017, Respondent received Office Actions in patent and trademark applications and often failed to report the Office Actions to the clients.

7. Respondent also often failed to respond to the Office Actions prior to the due date, resulting in the applications becoming abandoned without the clients’ knowledge or consent.

8. Respondent also received Notices of Abandonment in the applications and often failed to report the Notices of Abandonment to the clients.

9. Respondent often failed to adequately communicate with his clients regarding these applications and Office communications received therein.

10. Respondent represents the following:

   a. Respondent has accepted responsibility for his misconduct. Respondent recognizes the seriousness of his misconduct and has expressed remorse for it and for its potential detrimental effect on his clients and former clients as well as on the reputation of the legal profession.

   b. Prior to receiving notice of OED’s investigation of this matter, Respondent was in the process of implementing a software-based docketing system to alleviate what he recognized was inadequacies in his docket management. Respondent has completed the implementation of the software-based docketing system and is using this system for patent and trademark applications.

**Notice of Public Reprimand and Probation**

This notice concerns Mr. Michael S. Spradley of Richmond, Texas, who is a registered practitioner (Registration No. 69,177). In settlement of a disciplinary proceeding, the Director of the United States Patent and Trademark Office (“USPTO” or “Office”) has publicly reprimanded Mr. Spradley and placed him on probation for twenty-four (24) months from the date of the Final Order for violating 37 C.F.R. §§ 11.103 (failing to act with reasonable diligence and promptness in representing a client) and 11.104 (failing to promptly inform the client of any decision or circumstance with respect to which the client’s informed consent is required, failing to reasonably consult with the client about the means by which the client’s objectives are to be accomplished, and failing to keep the client reasonably informed about the status of a matter).

The public reprimand and probation is predicated upon Mr. Spradley’s violations of provisions of the USPTO Rules of Professional Conduct in connection with his providing patent and trademark services for clients. During an approximate two-year period from 2015-2017, Mr. Spradley often failed to timely report Office Actions to clients, often failed to respond to the Office Actions, allowed certain applications to become abandoned for failure to timely respond to the Office Actions without the clients’ knowledge or consent, often failed to timely notify the clients of the abandonment of the applications, and often failed to report the Notices of Abandonment to the clients. Mr. Spradley also often failed to adequately communicate with his clients regarding the patent and trademark applications and the Office communications.
In reaching this settlement, the OED Director considered the following: (i) Mr. Spradley has expressed remorse and has taken responsibility for his actions; (ii) prior to receiving notice of OED’s investigation, Mr. Spradley was in the process of implementing a software-based docketing system to address the inadequacies he recognized in his docketing management; (iii) Mr. Spradley has completed the implementation of the software-based docketing system which will assist Mr. Spradley in timely notifying clients of Office communications; (iv) Mr. Spradley has hired a docket manager for his firm to oversee the docket, review emails, update the docket daily, and update Mr. Spradley daily on the status of the docket; (v) Mr. Spradley has developed standard operating procedures for docketing and reporting Office communications to clients, and record keeping in applications; (vi) Mr. Spradley has trained his staff on the standard operating procedures; (vii) during the course of OED’s investigation and on his own initiative, Mr. Spradley participated in and completed an office management course and is willing to take at least one additional office management course; (viii) Mr. Spradley has counseled his clients regarding the abandoned applications; (ix) after counseling his clients regarding the abandoned applications, Mr. Spradley has paid the petition to revive fees for revival of the applications where clients have instructed him to file a petition to revive an abandoned application; and (x) Mr. Spradley has provided full and fair disclosures to the Office of Enrollment and Discipline during the investigation of this matter.

This action is the result of a settlement agreement between Mr. Spradley and the OED Director pursuant to the provisions of 35 U.S.C. §§ 2(b)(2)(D) and 32 and 37 C.F.R. §§ 11.19, 11.20, and 11.26. Disciplinary decisions involving practitioners are posted for public reading at the OED Reading Room, available at: http://e-foia.uspto.gov/Foia/OEDReadingRoom.jsp.

n. Nothing in the Agreement or the Final Order shall prevent the Office from considering the record of this disciplinary proceeding, including the Final Order:

(1) when addressing any further complaint or evidence of the same or similar misconduct concerning Respondent brought to the attention of the Office; (2) in any future disciplinary proceeding against Respondent (i) as an aggravating factor to be taken into consideration in determining any discipline to be imposed, and/or (ii) to rebut any statement or representation by or on Respondent’s behalf; and (3) in connection with any petition for reinstatement submitted by Respondent pursuant to 37 C.F.R. § 11.60;
o. Respondent waives all rights to seek reconsideration of the Final Order under 37 C.F.R. § 11.56, waives the right to have the Final Order reviewed under 37 C.F.R. § 11.57, and waives the right otherwise to appeal or challenge the Final Order in any manner; and

p. The OED Director and Respondent shall each bear their own costs incurred to date and in carrying out the terms of the Agreement and the Final Order.
