**Respondent** )

**INITIAL DECISION ON DEFAULT**

**PRELIMINARY STATEMENT**

This disciplinary proceeding was initiated under 35 U.S.C. §§ 32 and the regulations promulgated thereunder at 37 C.F.R. Part 10, against Charles C. Corbin (Respondent), an attorney registered to practice before the United States Patent and Trademark Office (PTO) (Registration No. 28,364). The Complaint and Notice of Proceedings (Complaint), issued by Harry I. Moatz, Director, Office of Enrollment and Discipline, was filed on January 5, 2001 and served upon the Respondent on June 5, 2001.<sup>1</sup> The Complaint charges Respondent with violating disciplinary rules by engaging in professional misconduct resulting in his being suspended from practicing law in Colorado and Ohio (Counts 1 & 2), failing to cooperate with

---

<sup>1</sup> Paragraph (a) of Rule 10.135 provides that service of the Complaint on a registered practitioner may be made by either: (1) "handing a copy of the complaint personally to the respondent;" (2) by "mailing a copy of the complaint by "Express Mail or first class mail" to the address for which separate notice was last received by the Director;" or (3) by any other mutually agreeable method. 37 C.F.R. §10.135(b). Paragraph (b) provides that "[i]f a complainant served by mail under paragraph (a)(2) of this section is returned by the U.S. Postal Service, the Director shall mail a second copy of the complainant to the respondent. If the second copy of the complaint is also returned by the U.S. Postal Service, the Director shall serve the respondent by publishing an appropriate notice in the Official Gazette for four consecutive weeks, in which case the time for answer shall be at least thirty days from the fourth publication of the notice." 37 C.F.R. §10.135(b). The record indicates that on January 5, 2001, March 3, 2001, and April 17, 2001, the OED Director sent the Complaint to Respondent by first class mail, return receipt requested, at "his address of record" at 777 Grant Street, Denver, Colorado 80203. See, Exhibits 1 and 2 to Complainant's Motion for Default (Motion). The three mailings were all returned to the OED Director by the U.S. Postal Service. See, Exhibit 3 to the Motion. The Director also attempted to locate a more specific address for Respondent and, failing that, employed a professional process server to locate Respondent. These alternative attempts at service also proved unsuccessful. See, Motion and Exhibits 4-7 thereto. Therefore, in accordance with paragraph 10.135(b), the Director published notice of the Complaint in the Official Gazette for four consecutive weeks, with the last publication being on June 5, 2001. See, Motion and Exhibit 8 thereto. Thus, I find that Respondent was properly served.

the PTO's Office of Enrollment and Discipline (OED) (Count 3); mishandling a patent application (Count 4); and failing to advise the PTO of a change of status precluding continued registration (Count 5). For those violations, the Complaint requests an entry of an Order excluding Respondent from practice before the PTO or indefinitely suspending him from practice before the PTO. The Respondent was notified in the Notice of Publication that, pursuant to the regulations, he was required to file an Answer to the Complaint within 30 days from the date of the last published notice, that is, on or before July 5, 2001, and that a default decision would issue if he failed to file his answer in a timely fashion.

To date, Respondent has failed to file an Answer or otherwise respond to the Complaint. The regulations provide that "[f]ailure to timely file an answer will constitute an admission of the allegations in the complaint." 37 C.F.R. § 10.136(d). The regulations provide further that "[a] complaint . . . shall . . . [s]tate that a decision by default may be entered against the respondent if an answer is not timely filed." 37 C.F.R. § 10.134(a)(4).

The Director served a Motion for Default Judgment on August 2, 2001. The regulations provide at 37 C.F.R. § 10.143 that "[t]he administrative law judge will determine on a case-by-case basis the time period for a response to a motion . . . ." However, in the context of a motion for default, where the respondent has not answered the complaint or otherwise appeared in the proceeding, it is not necessary to allow time for a response to a motion for default. The regulations provide at 37 C.F.R. § 10.136(d) that failure to file timely an answer "*will* constitute an admission of the allegations in the complaint" (emphasis added), and do not provide a requirement for a motion for default or a response thereto. *Compare*, Federal Rule of Civil Procedure 55(b)(1) (allowing entry of judgment on default upon request of plaintiff, for failure of defendant to appear).

For his failure to file a timely Answer, Respondent is hereby found in default, and is deemed to have admitted all of the allegations in the Complaint.

## CHARGES

The Complaint charges Respondent in five counts. Count 1 alleges that by engaging in conduct resulting in his three year suspension from practice as an attorney on ethical grounds by the Colorado Supreme Court, Respondent violated Rule 10.23(b)(1) and (c)(5) of the Disciplinary Rules of Professional Conduct. Count 2 alleges that by engaging in conduct resulting in his reciprocal suspension from practice as an attorney on ethical grounds by the Ohio Supreme Court, Respondent violated Rule 10.23(b)(1) and (c)(5) of the Disciplinary Rules of Professional Conduct. Count 3 alleges that by failing to cooperate with OED's investigation concerning complaints and allegations therein made against Respondent, he engaged in professional misconduct, in violation of 37 C.F.R. §§ 10.23(c)(16) and 10.131(b). Count 4 alleges that by mishandling a patent application, Respondent engaged in professional misconduct in violation of 37 C.F.R. §§ 10.23(b)(1), 10.23(b)(6), 10.77(c), 10.84(a)(1), and 10.84(a)(3). Count 5 alleges that by failing to notify the Director of a change of status which would preclude continued registration with the PTO, Respondent violated 37 C.F.R. §§ 10.23(b)(6) and 10.23(c)(14).

#### COUNT 5

#### CONCLUSION

(a) Respondent's conduct set forth above and in the Complaint with regard to Count 1 constitutes professional misconduct justifying suspension or exclusion under 37 C.F.R. §§ 10.23(b)(1) and 10.23(c)(5).

(b) Respondent's conduct set forth above and in the Complaint with regard to Count 2 constitutes professional misconduct justifying suspension or exclusion under 37 C.F.R. §§ 10.23(b)(1) and 10.23(c)(5).

(c) Respondent's conduct set forth above and in the Complaint with regard to Count 3 constitutes professional misconduct justifying suspension or exclusion under 37 C.F.R. §§ 10.23(c)(16) and 10.131(b).

(d) Respondent's conduct set forth above and in the Complaint with regard to Count 4 constitutes professional misconduct justifying suspension or exclusion under 37 C.F.R. §§ 10.23(b)(1), 10.23(b)(6), 10.77(c), 10.84(a)(1) and 10.84(a)(3).

(e) Respondent's conduct set forth above and in the Complaint with regard to Count 5 constitutes professional misconduct justifying suspension or exclusion under 37 C.F.R. §§ 10.23(b)(6) and 10.23(c)(14).

(f) An indeterminate suspension is appropriate because there has not been a record developed respecting all of the circumstances surrounding the professional misconduct. The Respondent's default has prevented such an inquiry. The Respondent may show cause in the future as to why he failed to respond and may provide some explanation for the misconduct set forth and found herein. Until he does so his name should be removed from the rolls.
