On July 20, 2012, Petitioner Scott Smith submitted a second request pursuant to 37 C.F.R. § 2.145(e) for an additional thirty (30) day extension of time to commence judicial review of the Trademark Trial and Appeal Board's February 21, 2012 decision denying Smith's request for reconsideration of the Board's September 22, 2011 decision dismissing the above cancellation proceeding.

Because the second request was filed before the expiration of the first extension period and because the reasons stated in the request constitute sufficient good cause for the requested extension of time, the request is GRANTED. Petitioner's time to file an appeal or civil action under 15 U.S.C. § 1071 is extended for a period of thirty days, i.e., until August 21, 2012.
